

FEEDER STEER SCHOOL 2.0

ARMIDALE, NSW | 10-13 FEBRUARY 2025

OPTIMISING THE PREPARATION OF CATTLE ENTERING FEEDLOTS

Feeder Steer School 2.0 is a professional development opportunity for beef producers, backgrounders, lot feeders, livestock agents, service providers and operators from across the value chain.

The event will be an immersive, three-day conference featuring presentations, discussion panels, hands-on workshops and networking opportunities.
