

Grazing fundamentals EDGE

Roma, Qld: Wednesday 27 November 2024

VENUE "The Shed", 50 Bungil St, Roma Qld

TIME 8.30am to 4.30pm

Grazing fundamentals EDGE is a workshop designed to give you a broad understanding of the components of the grazing production system and the core, scientifically-backed principles behind optimising grazing land productivity.

Attending this workshop will help you to understand:

- the soils and plants in your area
- connections between land condition, pasture growth and animal production
- the importance of ground cover and soil moisture
- how to allow for climate variability when planning
- the process and components involved in forage budgeting
- the different grazing systems available.

What you will learn:

- what influences pasture growth and quality
- local seasonal pasture growth patterns and key decision dates
- how soil properties influence pasture growth
- how grazing affects pasture plants, their productivity and growth
- how to assess land condition and how this impacts carrying capacity
- when and how to use pasture spelling
- principles behind successful grazing systems
- how to account for different classes of animals when assessing grazing pressure
- what's involved with forage budgeting and calculating carrying capacity.

Funded by
Natural Resources
Recovery Program

What do other producers think of this workshop?

General feedback

“Great workshop, informative, practical.”

“Very beneficial & well presented.”

“I found it very informative for the time available.”

What aspect producers found most valuable

“Production point, when to spell, what to look for in assessing land condition.”

“Different grazing systems, pasture stability and resilience.”

“Pasture management & identification.”

“Feed budgets and land condition.”

“The explanation of AEs and determining carrying capacities.”

The presenters

“Knowledge exceptional, good mix of theory & activity.”

“Very experienced & great presentation.”

“Excellent presenters, knowledgeable & approachable.”

“Presenters were clear and precise in their presentation.”

“Experienced in broad range of topics. Have real life experience.”

Value for time & money

“Best investment of my time & money in a long time.”

“For the time and money you spend it is an excellent workshop and definitely worthwhile.”

“Extremely valuable.”

“So good. Worth the time investment.”

“Small outlay for major gains.”

Price

Subsidised rate of \$140pp* inc GST per person (usually \$935pp)

* Subsidy provided by Natural Resources Recovery Program

THIS PROJECT IS FUNDED BY THE QUEENSLAND GOVERNMENT'S NATURAL RESOURCES RECOVERY PROGRAM.

This support aims to further reduce ticket costs for farmers and landholders, making it more accessible for them to attend this important and final workshop of the year.

Cost includes comprehensive set of Workshop Notes and Workbook as well as lunch, morning/afternoon tea.
