

POWERING PRODUCTIVITY FOR PROFIT

Casino, NSW

Heritage Seeds is pleased to invite you to attend our travelling seminar series for Northern beef producers, 'Powering Productivity for Profit'.

Showcasing the latest products, advice and industry developments for maximising animal performance in tropical pasture systems. This program will include presentations by Heritage Seeds' expert agronomists, as well as guest speakers from leading industry partners, including Meat & Livestock Australia, Lallemand Animal Nutrition, Incitec Pivot Fertilisers and Resource Consulting Services.

Topics to be covered include:

- Market update and the latest on pasture dieback
- Maximising animal performance in tropical pasture systems
- Managing feed availability and performance in northern pasture systems
- Successful establishment and nutrition of tropical pastures
- Soil health and grazing management.
