

Optimising ewe lamb joining outcomes and Preg scanning in extensive sheep flocks

 **Tuesday 11 June 2024** | **Time 12.30 – 1:30 pm**

 **Webinar**

Producer Demonstration Site (PDS)

MLA's PDS program supports producers to adapt, validate and demonstrate the business value of integrating new management practices and skills into their local farming systems.

This webinar will feature two PDS projects:

Optimising ewe lamb joining outcomes

Sally Martin (SheepMetriX) will discuss the decision-making process and the learnings to achieve successful ewe lamb joining outcomes.

Pregnancy scanning in extensive sheep flocks

Laura Broughton (Productive Livestock Systems) will highlight the benefits of pregnancy scanning in extensive sheep flocks.

This event is funded by Meat & Livestock Australia with the support of SheepMetriX, MerinoLink, Productive Livestock Systems & Makin Outcomes
