To Brisbane with stops at Echo Valley Farm and the University of Queensland's Gatton campus where Centre Director, Animal Science - Professor Ben Hayes will present on the integration of genomic information into breeding programs.

ZOETIS ANGUSEXPO

The Zoetis AngusEXPO, will take place at the Australian Equine and Livestock Events Centre (AELEC), Tamworth NSW from Saturday the 3rd until Sunday the 4th of May. Come join the largest expected multi-breeder display of registered Angus cattle in the World.

Things to look forward to:

- Exhibition of stud cattle
- Pen of 3 head competition, assessed on performance data and type, in an interactive judging competition
- BBQ competition between some of Australia's leading beef brands serving up delicious street food for lunch and dinner both days
- "Angus on Ice" genetics sale, offering the very best Angus genetics to the world
- Feature female sale, offering the most elite Angus females in a live interactive event
- Cattle Breeders College, access to leading speakers from across the world
- Cattle Chats: short interactive sessions designed for the modern day cattle breeder to take in
- Front row seat to the AngusEXPO Campdraft and shoot out
- Live music and the Bull Bar social functions each afternoon
- Teys Australia Angus SHOOTOUT awards function, at AELEC Friday night
- Enjoy the feature events of the Zoetis World Angus Youth Competition

POST TOUR

Join us in Outback Australia from Friday the 9th of May until Friday the 16th of May as we head in to central and western Queensland.

Cost: AUD \$6,000 gst included

DAY 1 | BRISBANE to LONGREACH - Friday 9 May

Includes: Accommodation (Longreach Qld) & Dinner

A flight from Brisbane to Longreach and then to the Qantas Founders Outback Museum for a guided tour.

DAY 2 | From LONGREACH - Saturday 10 May 2025

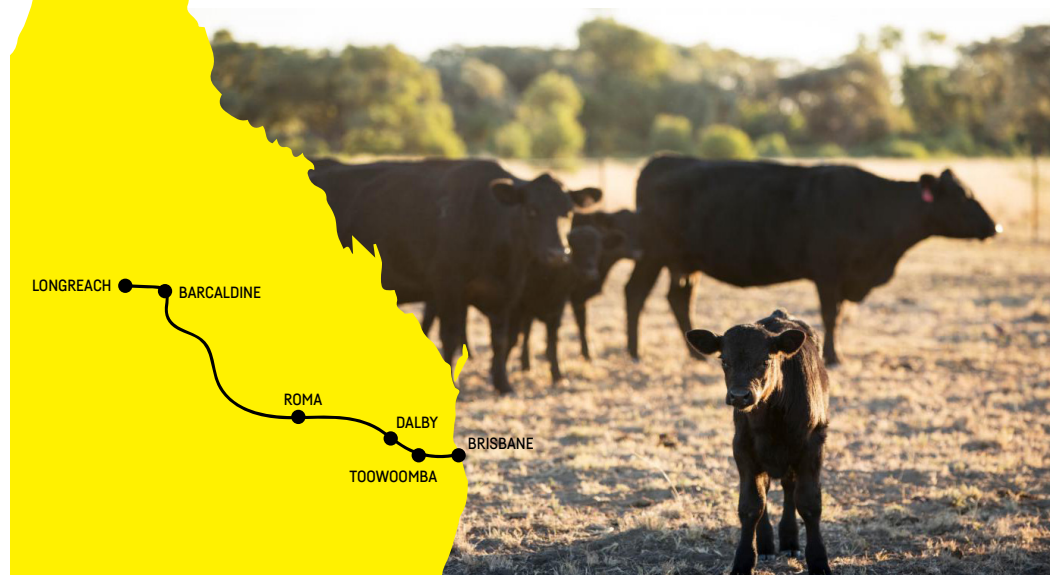

Includes: Accommodation (Longreach Qld), Breakfast, Lunch & Dinner
Attend AAM's feature Angus x Indicus Sale at their new ring yards in Longreach. After lunch, the Stockman's Hall of Fame, established as a tribute to the early explorers and stockmen of Australia. Afternoon on a Thomson River Cruise and return to land, for entertainment and dinner.

DAY 3 | LONGREACH to BARCALDINE - Sunday 11 May 2025

Includes: Accommodation (Barcaldine Qld), Breakfast, Lunch & Dinner
Travel to Isis Downs Station – owned by Consolidated Pastoral Company (CPC), a 246,057ha capable of running 21,000 cattle. The herd consists of up to 6,000 breeders – Charolais Brahman cross females crossed with Angus bulls.

DAY 4 | BARCALDINE to ROMA - Monday 12 May 2025

Includes: Accommodation (Roma Qld), Breakfast, Lunch & Dinner
Journey northeast of Alpha, to Appleton

Cattle Company's Islay Plains Station. Appleton Cattle Company is one of the world's largest privately owned organic beef producers and operates across over 2.2 million hectares of fully certified organic land.

DAY 5 | ROMA to DALBY - Tuesday 13 May 2025

Includes: Accommodation (Dalby Qld), Breakfast, Lunch & Dinner
Sale Day at Roma Saleyards, the largest cattle selling complex in Australia. A guided tour of the complex and the chance to meet with a local livestock agent to receive an insight into the selling process, sourcing cattle and other topics of interest.

DAY 6 | DALBY to TOOWOOMBA - Wednesday 14 May 2025

Includes: Accommodation (Toowoomba Qld), Breakfast, Lunch & Dinner
A visit to Stockyard Beef's Kerwee Feedlot, with 1,280 ha including their feedlot, breeding, grazing and grain farming operations. The Feedlot specialises in producing high quality

Angus and Wagyu beef, with up to 20,200 cattle on feed. A guided tour of Jondaryan Woolshed – one of Australia's oldest and largest woolsheds. Some time at a family owned and operated cotton farm. Dinner and wine tasting at The Plate Restaurant.

DAY 7 | TOOWOOMBA to BRISBANE - Thursday 15 May 2025

Includes: Accommodation (Brisbane Qld), Breakfast, Lunch & Dinner Time at The Paddock Butchery to see and learn about the most popular beef cuts from a butcher. Visit the iconic RM Williams store. On arrival in Brisbane, a guided tour and tasting at Queensland's XXXX Brewery. A farewell dinner this evening, offering the chance to taste some of Stockyard Beef's renowned grainfed product.

DAY 8 | BRISBANE to HOME - Friday 16 May 2025

Includes: Breakfast
After breakfast in the hotel, the post tour ends. Make your own way to the Brisbane Airport for homeward flight or onward travel arrangements.

2025 NEOGEN WORLD ANGUS FORUM “BEEF FOR A BETTER PLANET”

7th and 8th of May 2025 Brisbane Convention and Exhibition Centre (BCEC)

Hear the latest technology and thinking in the key streams of sustainability, genetics and profitability. Including thought provoking discussions on gene-editing, succession planning, emissions technology, and the science behind why livestock are crucial for the planet.

Gain valuable insights into future predictions for global beef consumption and learn the key consumer drivers around nutrition and marketing.

Participate in networking functions and mingle with like-minded cattle breeders, the leading scientists and dignitaries.

Enjoy the black-tie Neogen Gala Dinner at The Star where the Angus World will come together. Featuring a menu celebrating Angus beef and Australian traditional flavours.

There will be a diverse range of presentations from a lineup of speakers. Just to name a few...

Alison Van Eenennaam is a Distinguished Professor of Cooperative Extension in the field of Animal Genomics and Biotechnology in the Department of Animal Science at the University of California, Davis where she has been on faculty for over 20 years.

Dr Mariana Caetano is a distinguished academic and researcher in the field of Ruminant Nutrition, currently serving as a Senior Lecturer at the University of Adelaide.

As president of the Certified Angus Beef® brand, **John Stika, Ph.D** leads a team dedicated to earning the trust of consumers around the world by consistently delivering the best beef experience possible.

Dr Stephen Miller is being sponsored by Neogen. Dr. Stephen Miller joined the Animal Genetics and Breeding Unit (AGBU) at the University of New England, in Armidale, Australia in late 2020 where is now serves as Director.
